

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Tod Urban
DOCKET NO.: 06-20441.001-R-1
PARCEL NO.: 16-06-422-012-0000

The parties of record before the Property Tax Appeal Board are Tod Urban, the appellant, by attorney Rusty A. Payton of the Law Offices of Rusty A. Payton, P.C., Chicago, Illinois; and the Cook County Board of Review.

The subject property is a 94-year old, two-story stucco dwelling containing 3,141 square feet of living area. The dwelling has an unfinished basement, two fireplaces, and a two-car detached garage.

The appellant submitted evidence before the Property Tax Appeal Board claiming unequal treatment in the assessment process. The appellant submitted four suggested comparable properties located in close proximity to the subject. The comparables are described as two-story stucco dwellings that are between 84 and 94 years old. Features had varying degrees of similarity and dissimilarity when compared to the subject. The comparables contain from 2,564 to 3,602 square feet of living area and have improvement assessments ranging from \$15.29 to \$18.45 per square foot of living area. The subject property has an improvement assessment of \$26.77 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. However, the board of review did not submit any assessment comparable or analysis to demonstrate the subject property was uniformly assessed.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	9,288
IMPR.:	\$	53,020
TOTAL:	\$	62,308

Subject only to the State multiplier as applicable.

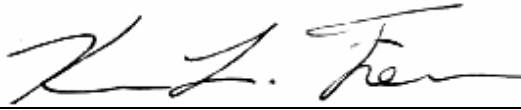

on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has overcome this burden.

The Board finds appellant submitted four suggested comparables for consideration. The Board finds the comparables have varying degrees of similarity when compared to the subject in age, size, design, features and location. The comparables have improvement assessments ranging from \$15.29 to \$18.45 per square foot of living area. The subject's improvement assessment of \$26.77 per square foot of living area is above this range. After considering adjustments for any differences when compared to the subject, the Board finds the subject's improvement assessment is excessive and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
